

**CT Virtual Colonoscopy Requisition and Clinical History**

Last Name: \_\_\_\_\_ First Name: \_\_\_\_\_  Male  Female  Other  
 Address: \_\_\_\_\_ Phone # \_\_\_\_\_ Cell # \_\_\_\_\_  
 MRN: \_\_\_\_\_ Date of Birth: \_\_\_\_\_ Weight # \_\_\_\_\_ Height # \_\_\_\_\_ (Required for CT)  
 Specify other considerations (e.g. interpreter): \_\_\_\_\_ **IS PATIENT PREGNANT?**  Yes  No  N/A  
 Please provide Pre-Authorization Assistance (*Please Fax Card*):  Yes  No  
 Insurance Provider & Policy # \_\_\_\_\_ Authorization # \_\_\_\_\_  No Authorization Required

Clinic/Office: \_\_\_\_\_ Phone # \_\_\_\_\_ Fax # \_\_\_\_\_ Pager # \_\_\_\_\_  
 Ordering Physician: \_\_\_\_\_ Signature \_\_\_\_\_ Print Name \_\_\_\_\_ Date \_\_\_\_\_  
 Attending: \_\_\_\_\_ Print Name \_\_\_\_\_ Office Contact: \_\_\_\_\_ Print Name \_\_\_\_\_

ICD Code/s: \_\_\_\_\_

1. Is this virtual colonoscopy exam screening or diagnostic?
  - Diagnostic (check all that apply):**
    - History of incomplete colonoscopy (must attach colonoscopy report):  tortuous bowel  mass  pain  other
    - High risk for optical colonoscopy:  advanced age  anticoagulation  sedation risk  other: \_\_\_\_\_
    - Symptomatic patient:  pain  change in bowel habits  G.I. bleeding  other: \_\_\_\_\_
    - Other: \_\_\_\_\_
  - Screening (check all that apply):**
    - Patient prefers virtual over optical colonoscopy
    - Other: \_\_\_\_\_
2.  I acknowledge to include all required documents (a copy of either history and physical or progress notes; plus, any relevant procedure reports including colonoscopy reports.)
3. Are there any contraindications to virtual colonoscopy (colitis, diverticulitis, colorectal surgery, deep endoscopic biopsy, hot snare polypectomy, or colon perforation) within the last six weeks?
  - Yes (Radiology Scheduling Center will schedule patient at a later date)**
    - Please specify a date after which virtual colonoscopy can be safely performed \_\_\_\_\_
  - No (patient will be scheduled next available)**
4. The Stanford Endoscopy Center is no longer offering same-day optical colonoscopy if polyps or other abnormalities are found on the CT Virtual Colonoscopy. If polyps or other abnormalities are found, would you prefer your patient to contact your office for instructions prior to eating or drinking post CT Virtual Colonoscopy?
  - Yes; patient to contact ordering physician for optical colonoscopy alternative options to avoid having to re-prep.**
  - No; any lesion/condition found will be dealt with at a later date.**
5. Is the patient on anti-platelet therapy or anticoagulants?  Yes  No  
 If yes, please provide the prescribing provider name and phone #: \_\_\_\_\_
6. Is the patient diabetic?  Yes  No
7. Has the patient had poor bowel prep in the past?  Yes  No
8. Does the patient have any iodinated contrast allergies?  Yes  No

**Insurance Coverage: CT Virtual Colonoscopy (diagnostic versus screening)**

A CTVC is diagnostic if it is a medical necessity (as documented by referring physician). CTVC diagnostic exams are covered by most insurance payers, including Medicare and Tricare.

A CTVC that is not medically necessary is a screening CTVC. Some private insurance payers may cover CTVC screenings. Currently, Medicare and Tricare do not cover screenings. A discount for self-pay is available for eligible patients.
