

# Blood Cancer Patient & Family Support

## Cancer Supportive Care Program

Open to patients with leukemia, lymphoma, Hodgkin's disease, myeloma, or myelodysplastic syndromes. This group is designed to provide mutual support and education to members who could benefit from meeting with others whose situations are similar to their own. Caregivers, family and friend are welcome.

**No registration necessary**, just drop in.

*The Leukemia & Lymphoma Society is sponsoring and facilitating this class for the Cancer Supportive Care Program.*
