

SHC Cafeteria Closed

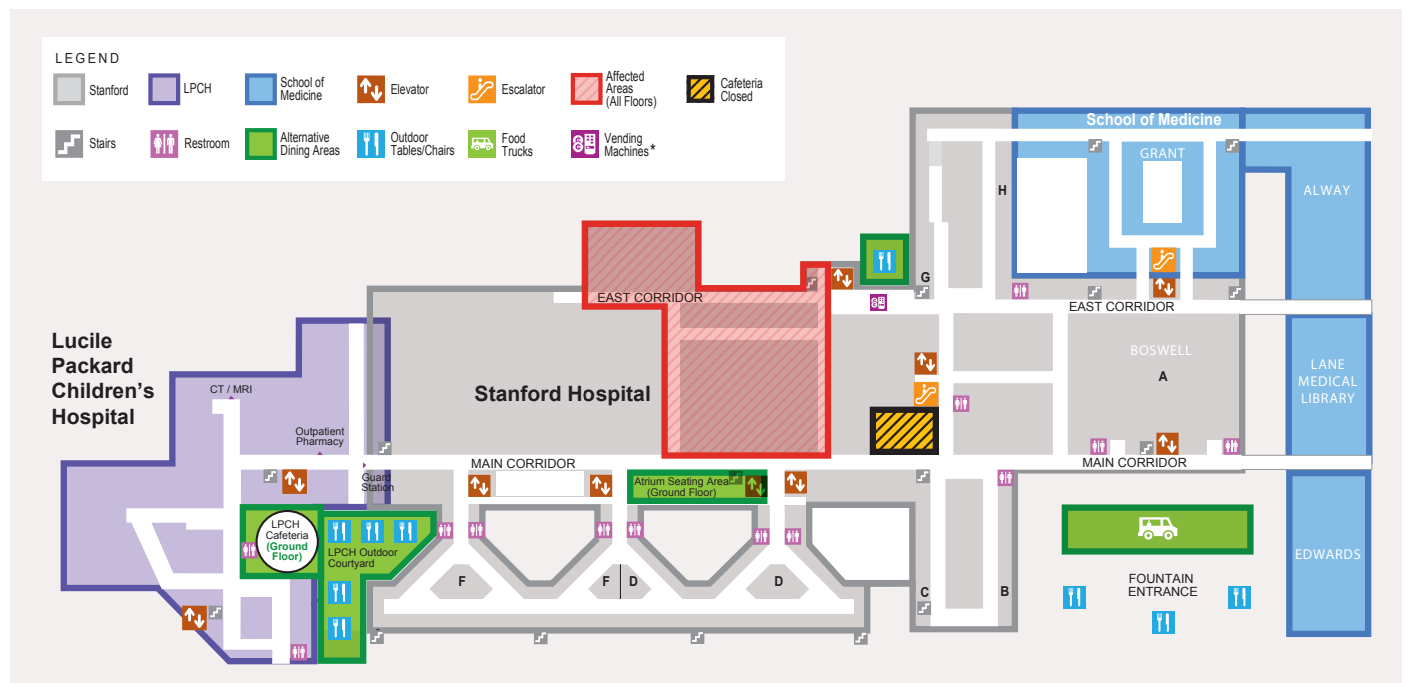

Saturday, June 21, 2014, 6am – 10pm

A planned electrical shutdown is scheduled to occur at Stanford Hospital & Clinics on Saturday, June 21, 2014 from 6am – 10pm in order to upgrade the reliability of the electrical distribution and supply systems. During this time, the SHC cafeteria will be closed. The following alternative dining options will be available to minimize any inconvenience:

- Food Trucks at the fountain
 - Breakfast/Lunch (7am – 2pm)
 - Lunch/Dinner (11am – 6pm)
- Special menu at the LPCH cafeteria (located on the Ground Floor of LPCH)
- Grab-and-go snacks at the vending machines (Note: some vending machines on the First and Second Floor will lose power)
- Or bring a lunch from home

If you plan to visit the food trucks, please kindly bring cash to expedite service.

Thanks for your patience while we upgrade this important system. For questions about the electrical shutdown, contact Nancy Arnold at 650-339-0986 or by email at narnold@stanfordmed.org.

*Some vending machines on the First and Second Floor will lose power.
