Meet the Expert

In this month's Meet the Expert, we interview Linda Ottoboni, PhD, RN, a clinical nurse specialist working with the Stanford Cardiac Arrhythmia Service. Click [here](#) for more information.

Research

David Pickham, PhD, RN, Nick Berte, MSN, RN, and Andre Valdez, PhD, from the Office of Research PCS, recently published findings from a large randomized clinical trial in the prestigious International Journal of Nursing Studies. Click [here](#) for more information.

Education

Stanford to host over 35 podium presentations, 48 poster presentations, and 10 educational sessions at this year's Healthcare Con held March 26th and 27th. Full agenda recently released offering 13 contact hours. Don't miss this opportunity to network and learn with leaders from a wide range of practices. Reserve your spot today. Click [here](#) for more information.

Spotlight

Bring your improvement, education and intervention plans forward and receive up to \$10,000 in financial support! The Legacy Grants aim to support innovative research and demonstration projects that improve health care outcomes, patient experience, health system efficiency and projects that align with the institution's strategic plans. Click [here](#) for more information.
