## Meet the Expert

In this month's Meet the Expert, we interview Steve Chinn Stanford Health Care's Interim Patient Safety Officer and the Administrative Director of Accreditation & Regulatory Affairs. Click [here](#) to learn more about Steve and his work at SHC.

## Research

There have been many proposed models of change in nursing. One relatively new mindset and methodology that has recently gained favor in health care is Design Thinking. Learn more about Design Thinking and how it can be applied to your practice [here](#).

## Education

One of the questions that we often get asked in the Office of Research (ORPCS) is how to know if an idea is most appropriate for a quality improvement (QI) study or a research study. Click [here](#) to learn more. Click [here](#) for more information.

## Spotlight

On March 26 & 27 a collaboration of 9 bay area hospitals, including Stanford Health Care and Stanford Children's Health, hosted Healthcare Con. – an interprofessional conference featuring over 36 podium presentations, 48 poster presentations, and 11 educational sessions with more than 300 attendees. Click [here](#) to see photos and view the poster presentation award winners.
