Meet the Expert

Katie Stephens, DNP(c), RN, PCN

Meet our Magnet Expert and learn more about the Journey to SHC's 4th Magnet Designation.

The [American Nurses Credentialing Center \(ANCC\) Magnet Recognition Program®](#) is an important nursing recognition credential. Magnet status is conferred on healthcare organizations that achieve high-standards in quality outcomes, patient care, nursing excellence, and innovations in professional practice, with empowered nurses leading advances in health care.

Research

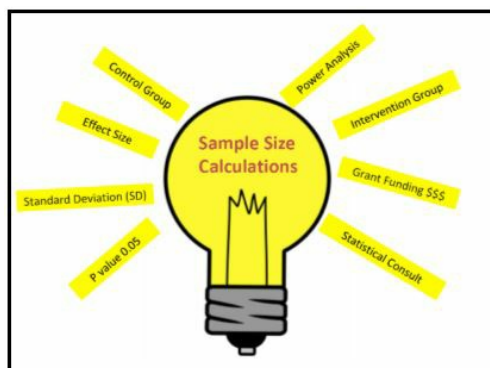

Stanford Health Care - Research Publication:

A nurse-led randomized controlled trial was conducted in the Stanford Health Care Emergency Department in 2015 and was recently published in the Journal of Emergency Nursing in September 2019. The abstract of the publication is outlined in the following article.
